Charlotte Yates and Gil Eva Craig

Wednesday 16 October 2013

Singer songwriter Charlotte Yates will perform with producer/multi-instrumentalist Gil Eva Craig.

The full length concert features material from Charlotte's sixth and latest album, Archipelago, which includes the single A Heart To Make. From the gently acoustic Falling Down to the gritty rocker Stains Your Heart, Yates' song-writing has been fleshed out by award winning sound designer, audio engineer and producer Gil Eva Craig, who has brought a lush, at times almost eerie, electronic texture and depth to Yates' songs.

Don't fret the small stuff. Well, it's been a while since we had a website and we have one again: www.nzguitar.com Please offer email suggestions for stuff you might like to see on it. Eric has offered to keep it current and we are about to link to our facebook page. For those of you, like Dave and Norris, who always find interesting clips and items of interest to other guitar nerds, please send me the links and we can put them up for the pleasure and education of all. This month we have Wellington singer songwriter [Charlotte Yates](#) as a special guest and we would welcome all your support. GANZ is committed to supporting live music wherever and whenever we can. Keep noodlin'
