

Guitar Association of NZ presents **Charlotte Yates** featuring **Gil Eva Craig**

“Archipelago sees her paired with producer-musician Gil Eva Craig, who adds extra colour and texture to the confident unguarded emotion that is the hallmark of Yates’ work.”

- Nelson Evening Mail

“Beautifully haunting, the 13 songs walk a tasteful line between being bold and being sensitive. Yates’ lyrics are an obvious strength, perceptive and comforting, they are moulded well with her fluid melodies.”

- NZ Musician
